Tivoli Terrace and Jordan Hall

## Jordan Hall and Tivoli Terrace

Jordan Hall and Tivoli Terrace apartments provide a homelike environment with support tailored to individual needs. Residents have the comfort of their own private apartment and support and services they need, while continuing to be as independent and active as possible.

Tivoli Terrace has 24 one-bedroom apartments with both traditional and open concept floor plans. Jordan Hall has 15 apartments with studio, one- and two-bedroom floor plans.

## Faith is the Heart of our Home

Pastoral Care is greatly cherished by our residents. Our chaplain and director of mission and spiritual care are dedicated to meeting the spiritual needs of our residents. Mass is celebrated five days a week in St. Anne's beautiful chapel. Pastoral staff also provides bereavement support, sacrament of the sick, scripture studies, as well as interfaith services.

## Building Friendships

Providing purposeful activity programs truly enhances the quality of life and well being of every resident. Activities encourage socialization; enrich spirituality; promote friendships; and ensure that every resident feels supported and satisfied emotionally as well as physically.
